ATHLETICS (JUNIOR)

Liaison Director: John Rodwell

Our 2019 – 2020 season was a very successful one, despite the weather causing our Friday night competitions to be cancelled six times throughout the season either due to poor air quality during the bushfires, rain or extreme heat. This season we had another record number of athletes enter the Zone Championships (held in December), which resulted in a record number of athletes qualifying for the Region Championships (held in February) and a record 24 athletes who qualified for the NSW State Track & Field Championships, which were to be held in March. Unfortunately the State Championships were cancelled following Government advice regarding cancellation of public events due to the pandemic status for COVID-19.

The success of our centre is thanks to the hard work and dedication of our committee members and many parent volunteers each week. As with all children's sport we require parent participation in the new season to continue to provide a safe and friendly environment to our returning athletes and new members.

Our AGM will be held on Monday 11th May 2019, at Revesby Workers Club, commencing at 7.30pm.

Revesby Workers Little Athletics Centre promotes fun, fitness and skills development in a friendly competitive environment while encouraging family participation, community spirit and values. Any child who was born between January 2004 and December 2015 can join our Centre.

The new season of Little Athletics 2020 – 2021 will commence Friday 28th August 2019 and runs through until March 2021. Children engage in running, jumping and throwing events in accordance with NSW Little Athletics guidelines with the opportunity to compete at carnivals outside our centre as well as in regular Friday night competition.

Sports Reports

Registrations will open online from 1st August 2020 via our website www.revesbylac.org.au and registration nights will be held on two Friday nights in August (dates TBC) at Western Sydney University (Bullecourt Avenue, Milperra) Building 18 from 6pm-7pm.

Registration fees are a one off cost each year with no weekly fees involved. Uniforms are purchased from the centre during the registration period. A small amount of fundraising assists in the purchase of end of season awards and enables us to keep our equipment up to date.

For any information or enquiries please contact Christine on 0413 886 431.

BANKSTOWN STROKE SUPPORT GROUP

The Bankstown Stroke Support Group has decided to suspend all of our meetings for the next five months at least.

However, we will be offering coffee and cake mornings to our group members and hold a social get together in the Central Collective at Revesby Workers starting at 10.30 and finishing by 11.30 give or take.

This will be on the 4th Wednesday of each month (not necessarily the last Wednesday of the month).

Due to the Coronavirus Pandemic no guest speakers will be asked to present during this period.

We will resume our normal meeting schedule when it's safe to do so. Stroke survivors are considered a vulnerable group.

We ask our group to continue their support and understand the current situation is necessary for risk management.

BOWLS – LAWN (MENS)**Liaison Director: Ian Stromborg**

Firstly, I would like to take this opportunity to thank our main club, Revesby Workers Club for their continued support of our Spence Street Bowling Club. If you haven't been to the bowling club, make a date with friends to try the bistro you won't be disappointed.

The first of our major championships for the year, FOURS CHAMPIONSHIPS was played in February, but due to an early start to the Pennant Season the finalists of Peter Shean, Adam Whalan, James Clifton and Rod Clifton verses Denis Gallant, John Banes, Daryl Oehlman and Peter Chown will be played at a later date.

In February our club hosted the STATE ZONE 12 OPEN TRIPLES CHAMPIONSHIPS sponsored by our parent body Revesby Workers Club over two weekends with all bowling clubs in the district represented, including players from both the State and Australian sides competing against our very own. The event attracted a good crowd of spectators as well as many younger competitors in their 20s-30s. The final was played and won by a team from Cabramatta Bowling Club skippered by Carl Healey. All competitors expressed their thanks to RWC Bowls President Denis Gallant and his committee for their hospitality and competence in the organising of the event.

I must make mention of our own Mr Shean (Peter), who was selected to represent our Zone in the State Senior Inter Zone Fours Championships in March and as usual put in a 100% effort.

Our next championships, the club TRIPLES starts in middle March. The next mixed day will be our Annual Anzac Day Mixed triples on 25th April and don't forget we have our annual Greenkeepers Charity Day in July which is well supported by our main club. You don't have to be a bowler to attend this event just notify one of our committee members if you would like a game of social bowls.

Who was the bowler whom turned up to Pennants on a rainy day with his zippered arms from his coat but left the main part of the coat at home? I think he should just concentrate on his home brew.

Any men who would like to join the Bowling Club will be well looked after by one our three club coaches, please contact Club President Denis Gallant

9771 5994 or 0402 114635.

The 2019-20 summer season was one of the most challenging encountered over many years. After missing out on so many game days through washouts, floods, ground closures, cancelled matches because of poor air quality (due to the bushfires), extreme heat and lack of available grounds, the season recently came to an abrupt end because of the coronavirus, meaning that senior grand finals and a couple of grand finals for junior age groups could not be played.

Nevertheless, Revesby Workers' Cricket Club achieved some great results. All our junior sides performed very well. A team was entered in a Twenty/20 competition for U14s and was victorious. The "Revesby" team (players from RWCC and Revesby Heights) finished on top of their ladder, but lost their semi-final. Congratulations to Ansar Javed and his team. The U13 side, coached by Richard Shun Wah won their shield – Congratulations to Richard and the boys! Congratulations also to Randhir Singh and the U15 team, undefeated Minor Premiers and Premiers, such a talented side who also won the Champion of Champions Shield for the BDCA and FLCA U15 competition. Well done Mr Singh and the boys. We are so proud of all of you.

All 4 of our senior sides also made their semi-finals, with the 1st Grade team winning brilliantly. Victories in semi-finals were also achieved by 2nd Grade (Minor Premiers) and 4th Grade. Unfortunately, the 6th Grade team (Minor Premiers) bowed out in their semi-final. Just when we had the 3 Senior Premierships lined up, the season was abandoned before the senior Grand Finals could be played, on the advice of Cricket Australia and Cricket NSW, because of safety issues relating to the coronavirus. Good news is that the 2nd Grade side should receive their premiership Shield to add to the 1-day shield they won some weeks prior

This year we had a non-competitive Stage 1 side which was so well coached by Steve Avery, assisted by Vince Miles. Thank you gentlemen. We also had lots of little ones – 4-9 years old, who participated in the Woolworths Junior and Master Blaster programs at Vale of Ah each Saturday morning. Thank you Brendan Bellach and his band of Dads for all your volunteering! After the flood, the

programs were moved to Marco Reserve which was also a great venue

There is now so much uncertainty throughout the community regarding sport for most of the remainder of calendar 2020, so we shall just "play it by ear!" The 2020 Masters Cup (Over 35s Super 8s) is unlikely to be played and we won't know for some time as to when we will start signing on for the next summer comp! Presentations are also being delayed – just keep an eye on the website in order to keep up to date.

FOOTBALL (TOUCH) Liaison Director: Kylie Wilkinson

Revesby Workers Touch Football entered 3 teams into the Pasifika Touch Festival held late last year. Our RWC "Go Hard" team were grand finalists in the mixed division, unfortunately losing by 1 try. However, the RWC mens team took out the competition in a hard fought victory. All players had a great time and particularly enjoyed the festival atmosphere which included dance performers, islander food and DJ music all day.

In the Bankstown local summer competition Revesby Workers had 4 junior teams for the first time. All teams made semi finals and our girls under 9 "Robins" and boys under 11 "Rascals" both made grand finals. This was a great result for our first year and we would love to have more children join us for the next junior season starting in September.

The RW mixed Go Hard team also competed in the local adult competition and won 6 to 5 in the Grand Final. It was a very exciting game with RW Go Hard scoring a try with seconds remaining in the game to even the scores at 5 all. In extra time Go Hard finally scored after dropping down to just 3 players from each team left on the field.

Revesby Workers Touch Football has had a great first year and we would welcome any new players to join us in September this year. All levels of experience are welcome to join us and this includes, mums, dads and grandparents, as well as the kids.

Anyone wishing to play or to find out more about the Revesby Workers Touch Football can contact Kylie on 0414 658 479

GAVEL CLUB Liaison Director: Christine Butters

Revesby Gavel Club opened in September 2019 as part of Toastmasters International. The Gavel Club gives young children an opportunity to improve communication, practise public speaking and ultimately empower them with confidence and leadership skills.

Our meetings are full of eager young speakers and grateful parents. Some parents wished they had found this opportunity earlier while others travel long distances to attend.

This great achievement would not be possible without the support of volunteers from Revesby Toastmasters and the generosity of Revesby Workers Club for allowing us to use their venue. All joint efforts in the community make a difference to our children's future.

The club meets every third Sunday in each month 10.00am -11.30pm at Revesby Workers Club. For more information, please contact me Email: shuminyang@hotmail.com

GARDEN CLUB

Liaison Director: Christine Butters

Revesby Workers' Garden Club meets on the first Saturday of the month (except for January and December) from 9.30am for registration, competition entries and raffle ticket sales. The meeting begins at 10am until 12 noon, in the Waratah Room at the RWC. We have a two category competition each month, with 1st and 2nd prizes in each, with small cash prizes. We have a guest speaker each month, they speak on a variety of topics, and it is not always plants and gardens. We welcome new members and guests.

Our members were so looking forward to our first bus trip for 2020 to Geranium Cottage, Nursery and Café at Dural, with a tour of the garden and Devonshire Tea. Then lunch at Galston Country Club. On the way home a visit to Swan's Nursery. Due to the Coronavirus and keeping our social distance this bus trip was postponed and we will look forward to rescheduling this trip soon.

Also due to Coronavirus, we cancelled our April meeting of the Garden Club. We will follow further Government guidelines before we can inform our members, that it is business as usual.

We received an invitation from the President and Committee of The Goulburn Garden Club, to attend a Friendship Morning at Goulburn Workers Club and a few of our members accepted. We were there for a 10am start. We had a very warm welcome and started with morning tea. There was such a beautiful display of flowering plants from a local nursery at great prices. We all bought home a beautiful, flowering Hibiscus. Goulburn members were so jealous, because they can't grow them in their climate. The guest speaker was Trisha Dixon; she is an author, photographer, tour leader and gardener. Trisha gave an interesting talk and slide show on garden architecture. Over two hundred garden club members from many Garden Clubs, from regional areas attended this Friendship Morning. We later joined the committee members for lunch, at a great new venue just out of Goulburn.

Looking forward to seeing you all soon.

LADIES GROUP

Liaison Director: Christine Butters

The group meets every Wednesday

morning from 9.30am – 11.30am, in the Macarthur room, Dixon Lane opposite the Workers Club. New members are always welcome and very often find that there are members they already know. It is a very friendly group which continues to provide interest and interaction for members. On 11th March, 2020, the Annual General Meeting was held, nominations were called for and all positions were filled.

On the first Wednesday of the month there is a bus trip and lunch, various spots around Sydney are visited and enjoyed. We regularly have a guest speaker and earlier in the year Paul showed videos and talked about early Rock and Roll, he is very knowledgeable and we enjoyed turning back the clock. In the past we have had visits to Alpaca farms, guide dog training, health advice, jewellery designer and many others.

Due to the generosity of the group we are able to continue our support to the Bankstown Hospital, also contributions to The Royal Flying Doctor Service and Wings for Kids. Rainbow Fashions provide lovely garments and accessories for a fashion parade and ladies are able to purchase their choices.

Yearly there is a Market Day which is well patronized by local residents.

Liaison Director: Dennis Hayward**

A busy summer on the Hawkesbury. Crews were kept busy assisting with support to RFS and National Parks and Wildlife with patrols and transport of ground crew to boat access only areas of the National Parks as well as members assisting at the control centre on the Bushfire Information Hotline.

Crews also assisted with enforcing exclusion zones during the Sydney to Hobart race and New Year's Eve Fireworks.

New search and rescue equipment funded by a Central Coast Council grant proved its value during a medical emergency operation on the Hawkesbury River just three days after its installation. The Unit has mounted a new thermal imaging camera on board rescue vessel Hawkesbury 22 thanks to a \$13,500 grant from the Central Coast Council Community Development program.

Unit Commander Peter Moore said

Sports Reports

the new camera enhanced the crew's safety and efficiency at night, improving response times under often-difficult circumstances.

"This new equipment was quickly put to use during a medical emergency on the Hawkesbury three days after it was fitted, when Hawkesbury 22 was deployed at 4.30am to help NSW Ambulance to transport a seriously ill and injured patient from Bar Point to Parsley Bay," UC Moore said.

As we approach the winter months we would under normal circumstances use the quieter months to enhance training of our members, however the COVID-19 pandemic has seen all Marine Rescue crews operate on an emergency call-out basis, rather than on a standby capacity at the base.

TENNIS CLUB - JUNIOR Liaison Director: Dennis Hayward

Beginners have continued to play the Saturday morning competition at Panania tennis centre and also Smith Park Centre, East Hills and they enjoyed round robins and doubles play with trophies being handed out at the end of term (which is scheduled for April 4)

There were seven teams (of 2) who entered the Mid Western tennis competition, a more advanced competition, playing against teams from Berala Carramar, Ryde, Brenan Park, Auburn and Smithfield. They all enjoyed the harder competition which was a singles of best of 3 sets and then a doubles with their partner. They played at Panania or Sefton as their home courts and travelled away for the AWAY games. All children are enjoying the experience of playing Home and Away around our neighbouring tennis centres. The term 1 comp is still only half way through, having another 4 weeks and finals to go.

In Division 1A – CBTA/RWC 3 team of Brad and James moved up a division after winning Division 1B at Christmas. They are coming 5th at the moment in a much harder division.

In Division 1B we had 2 RWC teams: CBTA/RWC 6 – team of Kane Melville and Zisis – a young team who have played a few times and finished coming 1st in this division last year. They are coming 3rd at the moment and we hope they make the semis. CBTA/RWC 5 – team of Michelle and Jordan are trailing a bit at the moment – plagued by some injuries.

Division 2A we had 4 teams: CBTA/RWC 2 – teams of Samuel and Paniz – who are currently coming 6th. Also in Division 2A the team CBTA/RWC 4 of Evelyn and Alissa started out well. Unfortunately, Alissa has just got a shoulder injury and has to step out of the comp. We are putting in a reserve to finish the season off.

Division 2B the team together of Frankie and Matt Dale played well together and are at present coming 1st in this division. The team CBTA/RWC 7 – Inesh and new

player Charlize are doing quite well and are sitting in 6th position at present. So far the Corona Virus has not affected club level tennis competitions.

Children, parents and coaches are being encouraged all the time to observe strict healthy procedures of washing hands regularly, keeping a distance, avoiding contact etc.

We hope that we are able to keep all our players safe.
