Executive Report

Daryl Melham AM
President

Scott Bennetts
CEO

Dear Members,

At the time of writing this Report, we have surpassed 3 months of lockdown and 3 months since the doors of Revesby Workers' Club regrettably closed due to the delta strain of COVID-19. The Premier's daily 11am announcement quickly became the focus point for all NSW residents as we awaited an update on COVID cases and how our future may look. We were extremely excited to re-open our doors to welcome our members and their guests back into the Club.

While operations of the Club in the immediate future are governed by NSW Public Health Orders, we will continue to keep our patrons updated as things change and as restrictions are eased.

We would like to express our sincere gratitude to all members for their patience and understanding during the last three months and for your continued patronage as you have returned to the Club as soon as our doors re-opened.

We would also like to thank our loyal staff, many of whom have not been on site since 26 June 2021. When the closure was first announced, as you can imagine, returning to work after such an extended absence takes some getting used to and our employees have displayed our core values (Adaptable, Teamwork, Support, Strength) extremely well during this time. It is times like this that make us proud to be the Community Club that we are.

CLUB RE-OPENING

As highlighted briefly above, how the Club operates in the immediate future will be dictated by the Public Health Order. Management and staff will continue to follow the Public Health Order and communicate any updates to patrons if and when things change. Upon re-opening, only those who are fully vaccinated will be permitted in the Club and only fully vaccinated staff members will be permitted back to work in the interim as dictated by the NSW Government in their Public Health Order to take effect 11 October 2021.

We will continue use QR codes for sign in purposes and our guest relations officers will request to sight your vaccination certificate upon entry as we are required to do. Once again, the Public Health Order will dictate the acceptable format in which we receive your vaccination certificate. We understand the requirements of signing in may cause slight delays upon entering the Club and we remind you that we require this as per state legislation. We would appreciate your patience during this time.

Staff will continue to ensure we are abiding by the 1 per 4 square metre rule indoors and 1 to 2 square metre outdoors and will be enforcing masks be worn indoors at all times. Functions will once again be permitted, however, governed by the same 1 per 4 square metre rule outlined in the Public Health Order.

Our future obviously looks somewhat different to the past, but we have recovered from a lockdown in 2020 and we are confident that together, with the support of patrons and our staff, we will return to some kind of "normal" again in the future.

SENIORS' CONCERTS

Sadly, our Seniors' Concerts have been put on hold once again due to COVID restrictions. We are aware our Senior Members look forward to this highly anticipated event, however, we are unable to hold an event of this size under current restrictions.

We are hopeful that our first concert will take place in December 2021 and will be permitted with eased restrictions. Once again, Members should note that the Seniors' Concert guidelines have been amended to comply with COVID regulations and these guidelines are available on the Club's website.

A reminder that Seniors' Concert's will incur a \$2 charge per ticket. The \$2 will be a donation to the Bill Bullard Charity Foundation which can support the outstanding work of organisations such as the Asbestos Diseases Research Institute. Those attending the concerts will be required to check in via the QR code to ensure the NSW Government have a complete and accurate record of all persons entering the Club premises. We confirm that entry will be determined upon the Public Health Order published at the time of the event.

REMEMBRANCE DAY

We would like to advise members that our Remembrance Day event will still take place this year on Thursday 11 November 2021. The event, similar to last year, will be by invitation only as it will be governed by the NSW Government's Public Health Order which imposes limitations on capacity.

Based on the Public Health Order which took effect on 11 October 2021, we believe that the event will be restricted to 1 per 2 square metres as an outdoor event and only those fully vaccinated are permitted to attend. Once RSVPs have been received any remaining tickets will be made available to members at a limit of 2 tickets per member. Tickets available to members will be provided on a first in first served basis and proof of vaccination will be required when collecting tickets.

We apologise to our members for the limitations on this event, however, until such time as the Public Health Order is removed, we continue to follow the Order to ensure the safety of our members and staff.

More information will be provided closer to the event.

STAFF TALK MENTAL HEALTH WITH GUS WORLAND

On Wednesday, 29 September 2021 we were extremely fortunate to secure a 1 hour zoom session with Gus Worland, Founder of Gotcha4Life - a not for profit mental fitness charity. This session was a fabulous way to maintain our communication and engagement with staff who have not been onsite since 26 June 2021.

Gus who you may also know from his time in breakfast radio with TripleM led a very informal yet engaging discussion on mental health. He shared some personal stories that really emphasised the importance of speaking up if you are struggling with mental health and he went on to outline the statistics around suicide rates in Australia.

We were very conscious that after almost a 4 month absence from work, our staff may struggle returning to full time and their absence could possibly have taken a toll on their mental health. Our staff were extremely engaged with Gus as they heard statistics such as 9 people a day dying from suicide on average 7 men and 2 women with 1 Australian every two and a half hours taking their life.

Staff did not shy away from asking questions and participated in a number of activities to reach out to their support network and also engage with someone they may have not spoken to in over 3 months. The activities emphasised the importance of regular contact with friends and family and how a simple message to someone can really make their day.

For anyone interested in knowing more about Gus Worland and Gotcha4Life, you can find further details at www.gotcha4life.org.

What an interesting and challenging year this has been so far. However, despite the COVID lockdown the Club has not been standing still and has certainly put this time to good use.

ROGUES SPORTS BAR

Work on the refurbishment of the Sports Bar has been moving full steam ahead. The newly named Rogues Sports Bar will see improvements that members can enjoy like a modern bar facility, two new large TV screens and a reworked TAB area. The Sports Bar will be serving assorted burgers and fries and have a seated area that opens up to the outdoors to create an open and light area to relax in and socialise.

In keeping with the tradition and history of the Sports Bar, the 6 full size billiard tables and 12 dart boards will remain and be relocated within this new space. The renovations are expected to be completed in early December 2021 so we will soon be welcoming back our snooker and darts players and sport enthusiasts to enjoy their new surrounds. I also would like to invite other patrons of all ages to explore and enjoy the new modern Rogues Sports Bar for a drink or a light meal.

BIYANI HOUSE REVESBY

Revesby Workers' Club has continued to support the development of Biyani House Revesby Women's Shelter which will open in November 2021. Biyani House is the only facility of its type in the whole of the Canterbury-Bankstown Council area and will offer great support for women and their children fleeing domestic violence.

Revesby Workers' staff have helped tremendously to get the shelter up and running by assisting with electrical work, gardening, replacing lights and administrative support. The Club has also contributed over \$130,000 to the renovation and refurbishment of the home and will contribute each year to the ongoing administration costs of the shelter.

SPORTING AND SOCIAL CLUBS

After a long winter without sport, it's great to see sporting and social clubs back up and running and members enjoying some long-awaited activities on the fields. Our Summer sports like cricket, touch footy and little athletics should all be back this month with our kids hopefully running around with their friends and teammates. And it is also the time for many of our other social and sporting groups to re-commence their regular activities and shared interests with their friends.

POST LOCKDOWN

I would like to say a big thank you to all the staff who worked during the lockdown to ensure the club was in a good position to open again. Special mention to our Executive and the People and Culture teams that worked hard ensuring our staff were kept engaged and cared for during the period of the lockdown.

It was wonderful to be part of the 'Mental Fitness' initiative the Club introduced in September 2021 for all our staff. This program, hosted by media personality Gus Worland from the Gotcha for Life initiative, focused on keeping staff connected with each other, let them know they were valued and that their colleagues and managers really did care about their wellbeing.

The Board and staff are delighted to see all the members back in the Club again. We hope you have the opportunity to take part in some of the many activities the Club will be offering over the coming months, or to visit us and enjoy a drink or meal with friends.

I wish you all the best for the festive season and hope you can catch up with family and friends at this time, or maybe even commence travelling again for your holidays.

Director Reports

Ian Stromborg OAM **Director**

As the Liaison Director for Revesby Workers' Sports Club, which underwent a complete renovation in July 2017, to reaffirm its strong focus on the values of family and local sporting and social groups, I am pleased to update you on some recent changes.

Whilst Revesby Workers' Sports Club has two and a half well maintained greens supporting the Revesby Workers' Club men's and women's bowls clubs, it's important that the club be established as a true home for all our sporting clubs, which is why we have continued to work tirelessly on achieving this.

With this goal in mind, we have made considerable investments into the Club to make ensure it is a true destination. Earlier this year we appointed a new caterer, Alpha Global Catering. With a proven track record for success, Alpha Global Catering already operates several other bistros located at Seven Hills RSL, Fox Hills Golf Club, Pennant Hills Bowling Club and West Pennant Hills Sports Club to name a few. The team got off to a flying start, pre lockdown, with many members raving about the menu variety, quality and value.

Additionally, and just in time for summer, there have been twelve picnic style table settings added to the outdoor area next to the bowling greens. This will not only provide additional seating space but allow our members and guests the option to enjoy a cold beer and a delicious meal in the outdoors.

If you haven't visited Revesby Workers' Sports Club before, now is the time.

Our *staff*

A THANK YOU TO ALL OUR WONDERFUL STAFF

The Club's lockdown period, which exceeded three months, brought with it many challenges, but our staff stood strong and continued to display a true commitment for our values; **Adaptability, Teamwork, Supportive** and **Strength**.

We were all deeply inspired by the dedication, selflessness, and resilience seen across our Club during this time, as the staff proved once again to be the heartbeat of who we are as a community Club.

During the closure our staff online community grew enormously and has proved pivotal in maintaining contact. Whether it was providing staff with key news updates and surveys, playing trivia, celebrating birthdays, sharing DIY projects, showcasing cooking skills or just sharing their excitement about returning to work. The entire community really bonded and showed genuine support for each other.

Some of the many images shared in posts by staff during lockdown.

A special mention to our Club Operations and The Tree House Early Childhood Centre teams, who continued to work throughout the lockdown period. Your ongoing support and dedication enabled the business to maintain operations and continue to support our local Tree House families.

Now, we are officially excited to say... **WELCOME BACK!!!**

We have missed you!

INTRODUCING...

ROGUES

SPORTS BAR

OPENING SOON!

The Sports Bar is the last original space within the Club to be renovated. Dating back to 1973, when the 'Big Club' was officially opened, and it was last renovated in the early 90's.

When designing this new space, the priority was to maintain historic integrity and to reinvigorate the atmosphere of this very under-utilised space by creating a Sports Bar that still encapsulates the current usage of snooker and darts, but also offers local sports fans a space dedicated to all sports viewing.

The old Sports Bar.

The Name

Inspired by the framed Rogues Gallery illustrations that hung in the original Sports Bar. A rogue portrays a person of likeable character who behaves unexpectedly with light-hearted mischief.

Each illustration has been recreated and showcased on feature panels either side of the new bar, as a nod to the rogue well-known personalities of the Sports Bar.

What's Inside

The entry to Rogues Sports Bar is directly off Brett Street Foyer, as its always been, but gone are the heavy framed glass doors. The entrance is spacious with uninterrupted access to a large central bar. The bar is framed by warm brick columns, black granite counter and illuminous green glass feature tiling. The hanging cage of screens, also mirrored on entry, conveniently displays live sports, coming events and menu selections.

Architectural rendering of the main bar.

Architectural renderings of Rogues Sports Bar.

On either side of the bar is ample seating, a combination of low and high table options, accompanied by well thought comfort seating for those long games. Seating on the left flows seamlessly to an outdoor terrace, designed for those long summer days.

State-of-the-art audio visual featuring two LED 158-inch wall screens on either side of the entrance and over twenty-five 55-inch screens throughout, there isn't a second of live action to be missed. The TAB facilities are no exception with a series of dedicated 55-inch screens, and convenient self-serve Easy Bet Terminals makes it the place for racing.

Behind the bar is a dedicated space for the snooker and dart enthusiast. Featuring six snooker tables and 12 dart boards, all retained from the original Sports Bar. Including a 1912 Grand Duke that was once owned by professional billiards player, Walter Lindrum and played on during the 1961 and 1969 Australian Open Billiards Championships, until it was purchased and restored by the Club.

Food and Drink

No visit is complete without great food and drinks.

The menu, loaded with flavour, has an American flair. Sports viewing favourites of Spicy Buffalo Wings with Blue Cheese Sauce, Cheeseburger spring rolls with ketchup and mustard and Crispy Footy Fries with Rogues seasoned gravy either to start or share.

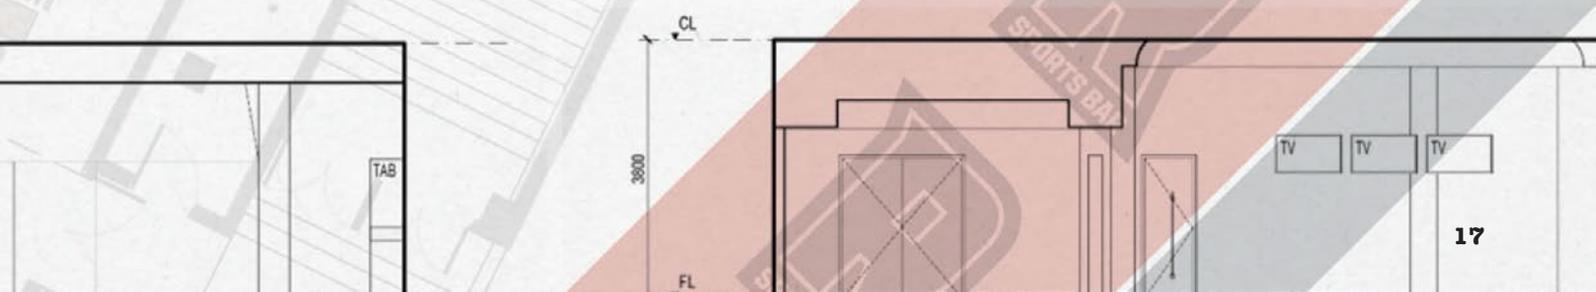

Food offerings that will be available at the new Rogues Sports Bar.

Followed by 'Burgers and Dawgs', where you could try a Snooker Classic Burger with fried egg or the Rogue Dog with mustard, ketchup, onions and fried pickles.

And for those that can fit in dessert or prefer to start with it, there's Apple Pie Bites with salted caramel sauce and Doughnut Fries.

The drink selection is a showcase of local and International beers, including two wine varieties, across the bars 16 taps. There will also be a cocktail or two for those wanting something different.

BANKSTOWN STROKE SUPPORT GROUP

Liaison Director: John Rodwell

Bankstown Stroke Support Group meets on the 4th Wednesday (not necessarily the last Wednesday) of the month.

At our November meeting, our stroke CNC District Nurse from Liverpool should give us an update on the latest news about stroke eg. current treatment; stats; new protocols, etc. Please note this is subject to COVID restrictions in place at the time of the meeting.

We plan to hold a Christmas event for our members in early December and will advise of a date once we have it confirmed.

Please note there will be no meeting in January due to the holiday season.

Tony Finneran
Treasurer

BOWLS – INDOORS (LADIES)

Liaison Director: Ian Stromborg

It has been a long and often difficult 3 months of COVID lockdown for many of us but now it is so exciting to think that we may be able to resume a somewhat normal life come early October.

Our Ladies are keen to resume playing bowls again and socialising with their friends and what a wonderful way to see out of tough year. We will abide by the Government and RWC rules once we are given the all clear to commence our weekly Wednesday get together.

Once again we would welcome anyone who would like to join our Club – no bowling experience necessary, there are many ladies more than happy to show you the ropes.

If you are interested please give me a call.

Connie Sorrenti
Club Secretary

BOWLS – LAWN (MENS)**Liaison Director: Ian Stromborg**

By the time COVID19 lockdown finishes, we hope that bowls will be back and running at the Sports Club in Spence Street.

In February we held a Graded Triples Day which was sponsored by Olsens Funerals of Revesby. 72 bowlers from surrounding Bowling Clubs helped make the day a successful day of competition bowling. The bowlers were served an excellent baked dinner with several kilos of prawns divulged after bowls.

We held an Anzac Day Mixed Bowls Day BBQ (with numbers down) and managed to donate \$500.00 to Legacy.

With the Pennant season now finished we had 3 grades entered, 3s, 5s and 7s. The 5s made it through to the Zone Finals at St Johns Park but were unfortunately knocked out on a very wet and windy Saturday. Hopefully our Club Championships will continue from mid-October, with our Match Committee working hard to finalise most championships by the middle of December.

Please contact Denis Gallant on 0402 114 635 if you would like to try your hand at Lawn Bowls, it is a very sociable activity for all ages.

Denis Gallant
President

CRICKET**Liaison Director: Christine Benham**

Not a lot has happened since my report in the previous Journal as we have been in lockdown for the whole period. At the time of writing we are looking forward to seeing an easing in restrictions and preparing for a season which, hopefully, will commence at the end of October/early November. Registrations for all grades and age groups are open at present.

When restrictions ease somewhat, we look to schedule both Senior Presentations (2019-20 and 2020-21) and the 2020-21 Junior Presentation. We really need to hold them when venue capacity is 2sq metre and masks in indoor venues are not mandatory.

At this time I would normally be detailing all our award winners from our Junior and Senior 2020-21 Presentations, but we will have to wait until the next Journal, by which time we hope we will have held the Presentations!

The 2021 Masters Cup (Over 35s Super 8s) which commenced in early May was

abandoned at shutdown in June, like all other winter sporting codes.

As mentioned above, signing on for the next summer competition is available on-line – just visit the “Play Cricket” site and enter your postcode – Revesby Workers' Cricket Club will be one of your options, which I hope you choose! Again, for Juniors, it will be compulsory to register on-line and we encourage seniors to do the same.

For any enquiries, please contact Chris Benham on 9773 7157.

We look forward to an enjoyable 2021 – 22 season.

Christine Benham
Secretary

FOOTBALL (SOCCER)**Liaison Director: Kylie Wilkinson**

2021 started with a bang and, like other grassroots sporting clubs across NSW, ended with a fizzle when we saw a premature end to our season. With 640 registered players, both male and female, making up 46 teams from Under 6 through to Over 45, we again recorded a bumper year regarding member numbers. Our club volunteers, including the committee, coaches and managers, all once again worked tirelessly to get this many people out onto the park, and we'd like to thank everyone involved.

The half of the season we managed to get in was indeed a success, and we had many teams in line to take out the premiership of their age group and/or division. Even though we are unable to acknowledge our winners, champions and long serving members in our annual junior and senior presentations, we were able to deliver the 2021 medal and a bag of treats to all junior players.

A highlight of the year was the charity gala day we held to raise funds for Keith's Closet, a charity which support people suffering from mental illness by providing means and resources they can access as they work towards improving their situation.

Over summer, RWFC are hoping to again host summer soccer for females of all ages and abilities, in line with NSW Public Health Orders. Everyone who would like to play is encouraged to keep an eye on social media and register your interest with the club.

Earlier this year, we were saddened to hear of the passing of one of our life members, Colin Clancy, who served as Club Treasurer from 1983-1987 and was instrumental in building our club to the strong community hub it is today. The

RWFC committee and members would like to extend our condolences to Colin's wife and wider family.

2022 looks like it will again be a bumper year for RWFC and we are looking forward to having all our members return back to our home ground at Marco. If you are interested in joining RWFC in 2022, we accept males and females, individuals and teams aged from 5 to 105. Follow us on Facebook, keep an eye on our website: www.revesbyworkersfc.com.au or contact us at admin@revesbyworkersfc.com.au.

GARDEN CLUB**Liaison Director: Christine Butters**

During the long COVID lockdown, the committee tried to keep in touch with our members, so many of them live alone. We rang them just to say hello and they were happy to receive our calls. We suggested to our members, to email some photos of their gardens. This would not be a competition, it was just a way for our members to show their gardens. All the entries were beautiful. All gardens are so different, so we have had such a variety of photos. Chris, our Club Secretary had such a good response to this, I believe that she was sent almost one hundred photos by countless emails. Chris was able to send us an email each day, with photos of a member's garden. She posted these throughout September and into October. This inspired others to have a go. Thanks Chris, for all your hard work.

Vale to Valda Johnson, she passed on the 14th September, 2021. Valda was a valued member of our Garden Club since 2002 and known to us as Val. Val would always volunteer to assist in any way she could to help with the smooth running of the club. Before her retirement Val was employed by the Revesby Workers' Club for more than 25 years and had a variety of jobs, from reception, ticket sales, catering and emptying the poker machines. Val is sadly missed by her Garden Club friends.

We are hoping that by the time this goes to print we can have a November meeting and are planning for our Christmas lunch.

We welcome all new members and visitors. We meet on the first Saturday of the month (except for January and December) from 9.30am for registration, competition entries and raffle ticket sales. The meeting begins at 10am until 12 noon in the Waratah Room at Revesby

Workers' Club. We have a two category competition each month with 1st and 2nd prizes in each with small cash prizes.

MARINE RESCUE HAWKESBURY Liaison Director: Christine Butters

Please welcome our new vessel!

We have received a Sailfish 8.3metre Catamaran powered by 2 x 250 hp Suzuki motors and it will replace our aging Marlin Broadbill catamaran.

This vessel was handed over to us on 30 September 2021. There will be intensive safety inductions and vessel handling training before she becomes fully operational and to get the best out of it for helping "save lives on water".

It is fitted with state of the art radar and GPS and electronics. This boat is ideal for the river as with twin hulls it can pick up campers and hikers from the beaches along the Hawkesbury as well as tow vessels that have run out of fuel or have suffered a mechanical malfunction. It even has a davit to make it easier to help anyone that has fallen overboard and needs help to be brought into the vessel.

Be sure to visit Marine Rescue Hawkesbury Face Book page to view the launching of our new Rescue Boat. Also just to advise the Annual Hawkesbury Canoe Classic has been cancelled this year due to COVID19 Restrictions.

We would like to thank all those paddlers who were supporting this event.

Kym Mahoney PR Officer

NETBALL CLUB Liaison Director: Baden Kirgan

This year Revesby Workers' Netball Club celebrated 60 years.

Due to COVID19, unfortunately our season was cut short at Round 9.

This season we had a total of 18 teams from our babies to our seniors. Thank you to all of our amazing coaches, managers and committee members for 2021. Our club is unable to run without our volunteers.

A big congratulations to Izzy McFarlane and Leela Hayward for obtaining their District C this netball season. We are looking forward to watching you both grow into wonderful umpires.

Congratulations to our two representative players Lexi Dredge and Izzy McFarlane

on making the 13 years representative team. Also to Monique Bishop, Haylie McFarlane and Scarlett Nash on making the 11 years squad.

This year one of our members Jessica Zanoni took on a coaching role for the 11 years BCNA Development Squad. Jessica has been coaching at club level for a number of years and has played for the Revesby Workers' Netball club for the past 18 years.

Please keep an eye out on our Facebook page for dates in regards to our AGM and Registrations for 2022. Unfortunately our AGM was postponed due to lockdown.

Kristy Montgomery Publicity Officer

REVESBY WRITERS' Liaison Director: John Rodwell

I would like to congratulate Revesby Writers' Member and Publicity Officer Shirley Galloway who entered short story in a Seniors Card Holders Competition recently. 100 entries out of several hundred entries across the entire NSW Fellowship of Australia were chosen for publication in the Seniors Card Book in November and Shirley's entry was chosen – we are very proud and would like to congratulate her on this success.

Simon Kaddissi President

TOUCH FOOTBALL Liaison Director: Kylie Wilkinson

Revesby Workers' Touch Football are welcoming new players to play in the 2021/22 summer junior and senior local competitions.

The 2020 junior season was very successful, with five teams making the Finals in the Bankstown Jets Competition. The RW Warriors under 18s mixed team and the RW Rebels under 13s boys' team both winning the Grand Final.

Our junior teams (boys and girls aged 5 to 18) play Monday nights from 5pm at Milperra. We provide uniforms at no cost and your active kids voucher will cover all fees.

Our senior teams play on various nights around the local area and also compete at gala days across Sydney. Our uniforms are free, the teams are very social and welcome men and women from 16 to 60 years of age to join us.

The RWC Go Hard team has won 3 tournaments over the past 2 years including both summer and winter competitions. Amanda, the Go Hard

captain and driving force behind the team, has moved to Queensland and we wish her all the best with her new life. This has opened up a few spots in the Mixed team, so if you are interested in joining this very successful social team or any other Revesby Workers' Touch Footy teams, please contact Kylie on 0414 658 479.
